Unique Two Racecourse Format Presents Fun and Challenges for 2 and 4-Wheeled Racers at Las Vegas "300", October 5th thru 7th

Unlike all of the other Best In The Desert long distance races, that are either a long single loop, as is *the Terrible's Town "250"*, or a point to point course, like *the TSCO "Vegas to Reno"* course, the **Las Vegas "300"** race courses will feature something totally different to the off-road racing world – two (2) modified racecourses.

The Start/Finish of the 2007 **Las Vegas "300"** for both racecourses will be located close to Primm, Nevada, in the Jean area (approximately 15-miles from Las Vegas and 15-miles from Primm). The Motorcycle/Quad/UTV racers will race 4 times around, with a GP finish on a modified course of 65.5-miles. Then the course will be extended to 82.2-miles in length for the Car/Truck classes, where they will run 3 times around. This exciting format sets the stage for the **Las Vegas "300"** to truly be "A Showdown In The Desert".

The Host Hotel for the **Las Vegas "300"** is the exciting **Buffalo Bill's Resort & Casino** in Primm, NV. It's a great time to come to Primm; off-road race by day and play at all the awesome Primm Valley Casino Resorts by night!
