January, 2009 Las Vegas, Nevada

Casey Folks, Director of Best in the Desert, today announced an unprecedented program for Class 1100 & 2000 racers. Folks was quoted, "I am very proud to announce to you that Best In The Desert, *"The American Off-Road Racing Series"*, is offering a very exciting 2009 BONUS INCENTIVE PLAN for Class 1100 and Class 2000. I know the Class 1100 and Class 2000 cars are out there, I want to see these family oriented classes grow inside of Best In The Desert and this is my way to show these team owners that I care and that every entry, no matter what class in Best In The Desert, is equally important. This gives you owners an incentive to come race with the best off-road racing series, *"The American Off-Road Racing Series."*

I am putting up the incentive money, along with third-place bonus money posted by Banning Motorsports, and I know this will show the Class 1100 and Class 2000 racers how serious we are about wanting you to race with Best In The Desert.
