

BANNING MOTORSPORTS ANNOUNCES FOLK'S and GRAF Class 1100 TEAM SPONSORS

January, 2009 Las Vegas, Nevada

The new Banning Motorsports Class 1100 car, driven by the team of Bryan Folks, Casey Folk's son, and Rick Graf, and built by Banning Motorsports, has announced their sponsors for 2009.

The list of sponsors and supporters is quite extensive, with BF Goodrich, VP Racing Fuels, Fox Shox, KC HiLites and Trail Ready Rims.

The race car features a Foddrill chassis, with Banning Motorsports tuning enhancements. Lee Banning was quoted, "With the support we are receiving from our sponsors, and how the car itself is shaping up, we expect big things from this team." Banning went on to further comment, "With the large additional prize money now being offered in this class, it's sure to draw a lot of entries, and tremendous interest."

Casey Folks, Director of Best in the Desert, said, "With the extra \$13,000 now up for grabs in Class 1100 and 2000, we expect a record number of entries!"

Bryan Folks said, "I am thankful for the tremendous backing we are receiving from some of the off-road racing sport's leading manufacturers. Their support gives us the incentive and equipment needed to field this very awesome and fast race car in an extremely competitive class. We are looking forward to a successful season of racing in Best in the Desert and other venues. First race up is the Blue Water Parker "425" in February."
